Submitting a Communication on Progress (COP)

Introduction Basic Template **COP Submission** Advanced Level Grace Letter

Please choose among the following options to publish your COP on the Compact website

Basic Template: If you are new to the Global Compact, this Template will help you create your first COP.

COP Submission: Use this tab if you have already created your COP, either integrated into your sustainability report or as a standalone report, and you are not aiming to qualify for the GC Advanced level.

Advanced Level: Use this tab if your COP demonstrates a higher level of performance and disclosure and you would like to participate in the GC Advanced level.

Grace Letter: You can also submit a grace letter for a 90 day extension to your COP deadline.

Seleccione la opción “COP Submission”

Esta alternativa se utiliza cuando la organización ya conoce los requisitos mínimos de contenido de una COP y cuenta con el informe (ya sea como un documento independiente o integrada en un reporte de sostenibilidad), pero aún no se encuentra preparada para comunicar en el nivel Avanzado
